Taiwo Mercy

FRONTEND DEVELOPER

I specialize in building web solutions and experiences for individuals and organizations.

EXPERIENCE

FRONTEND DEVELOPER BEESAGE SAI
Feb 2023 - Present

- Revitalized BeeSage's online presence by redesigning the website, implementing a cohesive color scheme, resulting in increased traffic to the page.
- Enhanced payment functionality by integrating the Stripe API for seamless transactions.
- Developed an ROI calculator, offering users insights into potential profits achievable through product utilization.
- Built a blog editor interface and API that enhanced the efficiency of the content creation process.

VOLUNTEER FRONTEND DEVELOPER USAF
Oct 2022 – Feb 2023

PROJECTS

Quizzard Web Application

<https://quizzardapp.netlify.app/>

- Quizzard is a quiz web application built using React.js.
- It fetches data from an external API (Rest API) using the useEffect hook and async Function.

WrytIt Blog Application

<https://wryt-it.vercel.app/>

- WrytIt is a blog editor and CMS built on the Next.js framework
- It utilizes tools and technologies like Cloudinary for enhanced media management, MongoDB for data storage, and JWT for authentication.
